

Gartree High School

Ridgeway, Oadby, Leicester, LE2 5TQ

Tel: 0116 2717421

An 11-16 Academy

‘An Outstanding School’
(Ofsted October 2018)

D&T Technician

Grade 5

37 hours per week term time only

Salary: £21,191 to £21,578 pa pro rata

We are seeking to appoint an optimistic, enthusiastic, and self-motivated person to be an integral member of a fantastically well-resourced and supported Art and Design Technology Department. This is an exciting time to join a popular, high achieving and consistently oversubscribed 11-16 school.

Gartree High School is a fantastic place to teach and learn. This post offers the successful candidate the perfect opportunity to become involved in supporting the learning of young people and be part of our D&T team, helping them create and deliver an engaging curriculum which inspires students to become immersed in a love of Design Technology.

The Department consists of a mixture of planning and making areas, applying traditional and modern approaches and techniques. You will be working alongside a technician who is responsible for support within Food and Textiles, and supports students’ learning within a classroom setting. We would like the successful candidate to have experience in using technology including a laser cutter and 3D printing. However, training will be given if required.

If you are interested in applying for this post, then we look forward to receiving your completed application form and letter of application. Your letter of application should be no longer than 1 side of A4. In it we would like you to tell us a little about why you would like this job and outline your experience to date.

The closing date for applications is 12 noon on Friday 23rd June 2023

For further details please visit: www.gartree.leics.sch.uk or telephone 0116 2717421.

Gartree is committed to safeguarding and promoting the welfare of children and this post is subject to an enhanced DBS check.
