

Column3	Column4	Column5	Column6	Column7	Column8	Column9
College	What did you study?	What have you done since leaving college		Which University are you studying?	Course	What are your fondest memories of Gartree High School?
Beauchamp College	Psychology chemistry product design	studying at university	Yes;	University of Leicester	Criminology with forensic psychology	Feeling like I was supported by all of my teachers and the staff and feeling like going to school was a safe place
Beauchamp College	Business, Geography, Psychology	Started up my own business and became a manager at an indoor karting facility.	No;	N/A	N/A	London 2 Paris bike rides some of the best memories I've got. Always smiling after those trips and taught me some good life lessons too.
Beauchamp College	A levels Maths, Physics and Computer science	Gone to University	Yes;	Cambridge, Homerton College	Engineering	Some good lessons
WQE	A level Business and 2 A levels in Sport	Started University. Working in holidays under the Councils HAF scheme. 15km run for RNOH charity.	Yes;	University of Lincoln	Bsc (hons) Sport and Exercise Therapy	Cycling from London to Paris twice. Duke of Edinburgh award. Camping with Mr Rackley!
Leicester College, Gateway College then Leicester College again	Originally Childcare and Education then Applied Science and now I'm on Immersive Media Design	Still in education at college where I split my time between St Margarets Campus and The National Space Centre. Other than that I haven't had many opportunities to do much so I just try to enjoy moments as they come.	No;	N/A	N/A	Me and my friends talk about our nostalgic moments all the time and we all unanimously agree that our time in Year 9 was the most well remembered year of our lives so far. Too many moments to recall, across all years, really. Year 8 and Year 10 too, they were both filled with some of the funniest days of my life that I can remember thus far.
Brooksby melton college	Sport science	Enrolled into part time work to afford going on holidays and going to events	Yes;	Leeds trinity university	Sport science	School trips such as France and Iceland
Gateway College	Media and Communications	Gone to De Montfort University	Yes;	De Montfort university	Media and Communications	The social aspect
South Wigston College	Level 3 Carpentry	Working full time in Construction	No;	N/A	N/A	Friendships
WQE	English Lit/Lang, Business & Accounting (Psychology 2nd year)	Joined into full time work, having worked for Ladbrokes and now for Halfords.	No;	N/A	N/A	Everything and everyone always being motivated and in a good mood.
SMB Group (Brooksby Campus)	Countryside Management	Got a job teaching rock music to primary school children. The company I work for is called Rocksteady. Moved onto a narrowboat in Milton Keynes.	No;	N/A	N/A	GCSE Music was always super cool. Hanging out with friends at breaks and lunches. Awesome, inspiring teachers. Making deputy head boy (Everyone knows I should have been head boy really, looking at you Mr Wilson!) Extracurricular stuff like DoFE, guitar lessons. All the trips out, Iceland was incredible, as was the camping trip, as was everywhere else we went.
Beauchamp College	Maths, Further Maths, Physics, Computer Science	I'm now studying Aerospace Engineering at the University of Bath	Yes;	University of Bath	Aerospace Engineering	Gartree's Got Talent in my Year 10. The break and lunch times I'd spend playing games with my friends. Playing dodgeball and table tennis in PE lessons. Doing GCSE Italian in Yr10 and being cheered on by my mates while going for the speaking exam. Last day of school before the quarantine and the assembly we had on the Wednesday prior announcing that the school will close on Friday (not a very positive memory). Spending after school Thursday sessions working for my DT project.
Wqe	Maths, chemistry and economics	University	Yes;	Lancaster University	Bsc Economics	So many memories of Gartree, all the trips we went on, skiing, camping, museums etc, all the great teachers
Beauchamp College	A Level English Lit, Maths, Theatre, Arts Crafts and Design	Moved to Newcastle	Yes;	Northumbria University	Architecture BA	London to Paris cycle ride, Mr Scranage's English Lessons, Trip to Iceland, Mr Manning's Form Time
WQE	English literature, History and Film Studies	Gone to University	Yes;	Bath Spa University	Film, Television and Digital Production	The Christmas concerts, the plays, Duke of Edinburgh, English classes with Mr Scranage haha
Beauchamp College	Mathematics, Chemistry & Economics	Gone to study at University.	Yes;	Nottingham Trent University	Mechanical Engineering	The life long friends I made during my time at the school
North Warwickshire and South Leicestershire College	Level 3 IT	Worked at various fast food franchises until March 2023. Currently I am working in Sales and Technical Support at Pcspecialist, a company which builds and supplies computers to various customers (from an individual customer to a large business such as Currys).	No;	N/A	N/A	Mr. Rackley as Freddie Mercury and Steve Adams as David Bowie during one of the Gartree Talent Shows
QE	Law, English language & literature, Business	I've got a job this year and went travelling in the Middle East through summers, been advocating for Palestine and gone to protests.	Yes;	De Montfort university	Law LLB	Science lessons!!! Annoying mr lavender everyday & honestly everything I wish I could do it all over again lol
South Leicestershire College	Lv 3 extended diploma in IT	Got a Job	No;	I now work at Harborough District Council	I am working as an IT helpdesk technician	The friendships made, many of whom I still talk to today
