(Ofsted October 2018)

TEACHER OF SCIENCE

Permanent appointment required from the autumn term 2024

Part time applications will also be considered

We are looking for an excellent, committed and enthusiastic teacher with a real passion for science, to inspire, challenge and support our students at this highly successful and oversubscribed High School.

We wish to appoint someone who:

- Is ambitious and determined to ensure all learners achieve and develop their full potential
- Is inspirational in the classroom and able to provide engaging and creative learning experiences for all pupils
- Is committed to assisting pupils in overcoming barriers to learning
- Has high expectations and a commitment to the wider school

In return we can offer you:

- Inquisitive, high achieving and imaginative pupils
- A supportive and friendly working environment
- State of the art premises and ICT facilities
- Excellent professional development opportunities

We believe our science department is an excellent place to develop your career. If you are dynamic and passionate about your subject with a good grasp of effective teaching strategies, and if you feel you would like to work among supportive and established professionals, there is a place for you at Gartree High School.
